PSYCHOLOGICAL STRATEGY BOARD  
Washington, D. C.

MEMORANDUM FOR PSB Member Liaison Representatives

SUBJECT: Preparation of Report on the National  
Psychological Effort, January 1 to June 30, 1953

The Psychological Strategy Board, at its meeting on October 31, 1952, requested the Director to study the matter of periodic reports to the President and the National Security Council, "with a view to developing recommendations with respect to period to be covered, format, procedure, and other relevant aspects thereof". In accordance with this request, consultations have been held with the reporting staff of the National Security Council, and with appropriate officers in the member departments and agencies.

Agreement has now been reached on the attached "Guidance For Reporting Departments and Agencies".

Accordingly, it would be appreciated if your agency's forthcoming report to the Psychological Strategy Board for the period January 1 to June 30, 1953 be prepared in conformity with the attached guidance.
